SAVER'S SWEEPSTAKES GRAND PRIZE DRAWING IS COMING!

September is the last month to earn entries for this year's Saver's Sweepstakes grand prize drawing where at least one Educators Credit Union member will win \$5,000! The drawing will take place in October, so don't forget to make your deposits to earn entries. Although the grand prize drawing is just around the corner, you can still win each month and each quarter! Here's how it works:

- Open your Saver's Sweepstakes account with Educators Video Banking, with QuickApply in Online and Mobile Banking or by stopping at a branch near you.
- Each time you save \$25 you will receive an entry, and you can earn up to six entries each month. Remember, the savings account must increase by at least \$25 at the end of each month to qualify for an entry.
- Every entry gets you one step closer to winning the \$100 monthly drawing, the \$1,000 quarterly and the \$5,000 yearly drawing.
- Saver's Sweepstakes prize winners are drawn on or about the 15th of each month. The odds of winning depend on the number of eligible entries.

Don't miss your chance to win! For more information, visit ecu.com/personal-banking/savings/sweepstakes/.
