# EMPLOYEE SPOTLIGHT

## CARLY, THE SUPPORTIVE LENDER

“Carly, thank you so much for all your help, support and amazing service that you provided us with during the process of buying our first home. We can’t share enough how much we appreciate it and what a difference it made in our experience. We are so grateful to have worked with you! We look forward to being Educators members for many years, and your service is one of the reasons why.” – Mallory F.

## NATIONAL TEACHERS’ DAY

Educators Credit Union began as a group of teachers in Racine looking for a trusted financial to lend money at fair rates, **and we’ve never forgotten that.** Our respect for teachers is deeply personal, and it’s for this reason and many more that we celebrate National Teachers’ Day every year. They educate our future generations and often go above and beyond to advocate for our children. **Thank you, teachers, for everything you do to uplift our communities!**

## INTERNATIONAL NURSES DAY

Every year on May 12 the world celebrates nurses, who advocate and care for patients through thick and thin. Whether at your bedside holding your hand or making you laugh, nurses are a true example that not all heroes wear capes. **Thank you for the hard work and long days spent on your feet ensuring our loved ones are well cared for!**

We are proud to play a part in making Yareli’s wish come true.
