## Credit Report Widget Enrollment – Savvy Money

The new Credit Report widget takes the place of our FICO score widget in Online/Mobile Banking. Members who were using the FICO widget must enroll in the new Savvy Money widget to view their score. The Credit Report widget is more robust and allows you to, view and update your credit score daily, view a full copy of your credit report and view and take advantage of custom offers to better your finances.

Enrollment is easy, here's how:

1) Click the CHECK YOUR SCORE button or the CREDIT SCORE widget to begin enrollment.

2) Click the CHECK BOX, to agree to the terms and conditions of use.

3) Click the CONTINUE button to complete the enrollment.
