My name is Danny Larson; I am a Financial Advisor with Educators Investment Services. I am passionate about helping individuals and their families pursue their financial goals by understanding their needs, aspirations, and priorities. I strive to educate and advise my clients so that they can make confident and informed financial decisions. I enjoy guiding my clients through every stage of their financial journey and helping them turn their goals into reality.

Prior to being an advisor, I was a Finance Representative at Educators Credit Union for 7 years.

I utilize the experience and knowledge I accumulated during that time to provide my clients with advice and guidance for their entire financial picture.

I live in Kenosha with my wife, Abby and our 2 dogs. We enjoy the outdoors, backyard bonfires with friends and family, golfing, cooking, and traveling when we have the opportunity. I am a Wisconsin sports fan and try to attend a few games every year.

Hi, I'm Jordyn! As a Program Coordinator, I'm here to make sure everything in our department stays on track and Educators Investment Services provides the best experience possible. Whether I'm managing the daily schedule or matching a member with an advisor who fits their needs, my goal is always to assist community members in finding the best advisor that fits their goals.

Prior to my Program Coordinator position, I was a Teller with Educators Credit Union, and I've always loved being a part of the credit union's members' financial growth. When I'm not at my desk, you can usually find me exploring the outdoors and finding new adventures to get into with my dog.
