EMPLOYEE SPOTLIGHT

DORIS, THE GUIDING LIGHT

"I was referred to Educators by a friend who had nothing but wonderful things to say. When I walked in the lobby, there were so many hellos! Everything went smoothly with Doris. She was very knowledgeable, nice, and offered good suggestions. She was helpful, really treated us with respect, and made sure we understood what she was informing us about! We felt like we were part of a new family!" - Sally K.

FRAUD ALERT!

Scammers have been disguising themselves as "Educators Credit Union's Fraud Department." We will **NEVER** call or text you for your login information, Social Security number, one-time codes, card number or PIN for any reason.

If in doubt, hang up and call us at **262.886.5900**.

CHANGING YOUR IRA WITHDRAWALS

For members with automatic IRA withdrawals – you may change your withholding election at any time before receiving your payment. IRA withdrawals are subject to federal income tax withholding unless you elect no withholding. Withholding from IRA payments, when combined with other withholding, may relieve you from payment of estimated income taxes; however, your withholding election does not affect the amount of income tax you pay. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are insufficient. Contact us if you need to verify or change your withholding. Please consult with a tax advisor if you need advice about your withholding.

EDUCATORS IN THE COMMUNITY

Here are a few of the events we attended recently:

Spring Wine Walk

Downtown Janesville

We sponsored this wonderful opportunity to experience some fantastic locations in downtown Janesville. Attendees could walk or take a trolley through Janesville to a variety of wine destinations, enjoy snacks from restaurants, and take advantage of discounts at local shops.

Oak Creek Farmers Market

Drexel Town Square, Oak Creek

As avid supporters of local communities, we sponsored and attended the Oak Creek Farmers Market in May. It has everything from fresh, locally grown produce to entertainment you can only find in the Milwaukee County area.

Juneteenth - STEM Day

Dr. John Bryant Community Center, Racine

Racine residents were invited to experience an evening of creativity and innovation courtesy of the city. We played an engaging trivia game with attendees, teaching and testing their knowledge about credit unions, STEM subjects, and more.
