# EMPLOYEE SPOTLIGHT

## ANGEL, THE CHARISMATIC PARAGON

"A colleague referred me to Educators because I was looking to get funding, and Educators is known to have a great reputation. I wasn't disappointed! Angel was very welcoming right off the bat, had great charisma, and was insightful and informative about Educators' offerings and services. As a new member, I felt welcome and motivated to continue working with Angel and Educators with my future service requests.

This is probably the best experience I've had at a financial institution thanks to Angel's exceptional member service, and I will be recommending my family and acquaintances join Educators Credit Union!" -Alexander C.

## REALITY CHECK DAY **ROUNDUP**

Each year, we host dozens of events in the community to guide students and young adults through a simulation that teaches them the real cost of being an adult. Each student picks a profession, then the game randomizes whether they are married, divorced, have children, need to pay for child support, or have pets. Once these basics are established, the students proceed through the simulation by purchasing essentials like housing, a car, utilities, food, and more.

This 2024-2025 school year, we hosted 35 Reality Check Days in the community and helped educate over 5,000 students and young adults about real life finances. We're proud to be so heavily involved in the financial success of our future leaders!

**Did you know?** Anyone can volunteer at Reality Check Days. Interested? Reach out to our Director of Community Engagement, Victor Frasher **by phone at (262) 884-6630** or **by email at [victorf@ecu.com](mailto:victorf@ecu.com)**.

# EDUCATORS IN THE COMMUNITY

Here are a few of the events we attended recently:

### Wisconsin State Fair AG Discovery Day

State Fair Grounds, West Allis

Elementary students were welcomed to the State Fair grounds to get some hands-on agricultural education! We brought the fun with piggy bank decorating and our very own robot, Pepper! It had fun facts for attendants about farming, money, and Wisconsin.

### HAWSfest

Sussex Park, Waukesha

We spent a purrfect doggone day at HAWSfest! A free festival for pet lovers in Waukesha, it's all in support of HAWS' mission to lead the community in animal welfare and assure sanctuary for animals in need.

### West Allis Farmers Market

6501 W. National Ave, West Allis

West Allis Farmer's Market returned for its 106th season! It's a perfect opportunity to get some delicious local food, meat, eggs, produce and more. We attended to help spread financial literacy in the community.
