# EMPLOYEE SPOTLIGHT

## DANIEL, THE FRIENDLY IDEAL

"The young man who took care of me in the drive-thru today was 'spot-on,' including direct eye contact and a very kind demeanor. It's nice to be treated like you matter, even if it's at the branch! We need more good member service." – Beth C.

INTRODUCING ...  
**GET SMART  
ABOUT SCAMS!**

**GET SMART ABOUT  
SCAMS**

We get it: learning about scams can feel overwhelming when so many types exist. **However, with scammers becoming more sophisticated every year, it's essential to remain knowledgeable of the latest trends.** That's why, as your credit union, we set out to make understanding scams simpler by creating a bite-sized audio and blog series containing the basic information you need to identify scams: what they are, the common red flags, and frequent questions we receive including what to do if you think you have fallen victim.

Visit our blog section on [ecu.com](https://ecu.com) to see our first installment about **Impersonation scams**.

## EDUCATORS IN THE COMMUNITY

**Supporting you is what we do!**

As we wrap up 2025 and look forward to our community goals for 2026, we're reviewing the work we did last year helping to build up and reinforce the strength of communities in southeast Wisconsin. Here are a few stats on how we uplifted the place you call home in 2025:

502 local organizations received  
sponsorships or donations  
**totaling over \$790,000.**

Our staff volunteered their time at  
**over 200 community events,**  
large and small, including Habitat for Humanity,  
the Racine Food Bank, and so many more.

**Over 38,000 local students**  
received free financial literacy, an  
irreplaceable foundation that will boost  
success in their adult lives.

We couldn't do all this without members like you.  
**Your membership with Educators Credit Union  
fuels the work we do in the community.**  
Thank you for your loyalty and support in 2025!
