Financial Advisor

My name is Jon FioRito, I am a financial advisor who has been helping clients for over 15 years.

My goal is to help you make sense of investing for the future. It's my role and responsibility to make sure you leave my office with a better understanding of your financial goals and to put you on a track to pursue them. I help members manage the risks inherent to retirement funding.

I live in the Kenosha area and spend much of my free

time in the outdoors. I am an avid fisherman and enjoy traveling around the Midwest chasing trophy walleye, panfish and salmon here in the Great Lakes. I enjoy ice fishing and snowmobiling in the winter. I also have a passion for cooking and trying new recipes. I have two cats named Chester and Charlie. Chester is of the Savannah Cat Breed. Charlie is a tuxedo cat who showed up at my doorstep during COVID and chose me to be his parent.
