How to Stop Payment on a Check

Login to Educators Online Banking.

1. Click on the "More" widget.
2. Click on the "Check Services" widget.
3. Under the Stop Payment tab, your history of requests will display. Click "New Stop Pay Request".

The screenshot shows the Educators Credit Union online banking dashboard. At the top, there is a navigation bar with links for RATES, CONTACT US, FIND A BRANCH OR ATM, and LIVE CHAT OPEN. The main header features the Educators Credit Union logo, a banner for "Looking for a New Home?", and a user profile for JOHN TEST. The dashboard is divided into several sections: a left sidebar with navigation icons for DASHBOARD, ACCOUNTS, TRANSFER, EDOCUMENTS, BUDGETS, and MORE...; a central area with a "Dashboard" title and a "Pay Now" button for a \$388.18 payment due in 5 days; a "My Accounts" section listing Checking (\$1,041.44) and Savings (\$2,511.56) accounts; and a right sidebar with news updates and a "Last 15 days" summary. A red circle with the number "1" highlights the "MORE..." widget in the sidebar. A red circle with the number "2" highlights the "CHECK SERVICES" widget in the bottom navigation bar.

The screenshot shows the "Check Services" page in the online banking interface. The top navigation bar and header are identical to the dashboard. The left sidebar is partially visible. The main content area has a "Check Services" title and two tabs: "Stop Payment" (which is selected) and "Reorder Checks". Below the tabs, there is a "Stop Payment Requests" section with a "New Stop Pay Request" button highlighted by a red circle with the number "3". The text below the button states "You currently have no stop payment requests."
