Dear <Name>,

We are thrilled to announce the Aurora Credit Union merger with Educators Credit Union is on track for Jan. 1, 2019. As member-owners of Educators Credit Union, you will have access to great online and mobile services, over 20 branches, new products, and so much more. While the signs will change, Educators Credit Union is keeping all of Aurora Credit Union's staff, meaning you'll still be working with the friendly employees you've come to know and trust.

Over the coming weeks, we will be sending you more essential information about the merger process and your account. Please make sure your address is current and up to date with Aurora Credit Union so that you receive every message.

Sincerely,
